Introductory Remarks:

Dear Parents and Fellow Staff, on behalf of the School Management Committee, allow me take the pleasure of welcoming you to our School on this crucial meeting. I bring you greetings from the entire community of Namagunga Primary Boarding School. Thank you for coming! A Happy New Year!!

We thank God for His protection throughout last year despite the many fires that gutted Schools and we encourage you to continue praying for us. We are grateful for the confidence you have entrusted in us to keep your children in this school. The demands and challenges are still many but we pledge to continue upholding the intellectual moral, physical and social standards of our pupils coupled with your continued support.

Academics:

Last year we registered 129 candidates and I am privileged to inform you that 126 of them passed in Division I and 3 of them passed in Division II. Among these, some were very weak but we worked hard to ensure that they excel. On this note, I would like to extend my sincere thanks to the teaching staff for their continued commitment and hard work they have relentlessly exhibited in their tasks.

I would also like to acknowledge the work of our support staff in their respective departments. The cooks and dining matrons, the secretaries, the accountants, nurses, matrons, security personnel, drivers, farm manager, compound and garden workers who work very hard to contribute towards the achievement of our school mission and objectives. Thank You! Thank You! Thank You! Let us keep the flag of our School flying high.

Dear parents, the academic excellence of our pupils has been attributed to team work and we appeal to you not to leave the entire responsibility to the school; but rather work hand in hand with us for the good of our children’s future.

I still acknowledge in a special way the effort of my fellow School Administrators, school counselors, dormitory matrons and the entire staff who work tirelessly to maintain the discipline because without discipline, academic excellence cannot be realised. As our school motto goes ‘with Discipline and Hard work we Excel.’

Admissions to P.1

The culture of the school is still “first come first served” when admitting P.1 entrants. You are therefore advised to book for a place as soon as the baby girl is born to avoid future disappointments.
**Discipline:**
The discipline of both the staff and the pupils is commendable. Special thanks to the teachers, class matrons, school counselors and the parents for the positive response whenever called upon. Important to note is that we are handling big numbers of pupils, and there are particular pupils who need a lot of guidance and counseling. That is where we need you as parents to ensure that your children are well shaped right from home as the saying goes “charity begins at home”. As a School, we shall do our best to guide the pupils, however, if the child does not change at the 2nd warning, dear parents we shall advise you to find a more appropriate environment where she can concentrate for better academic progress.

**Health:**
So far we have not registered very serious cases with pupils’ health. Special thanks to parents and our school nurses. However, it’s my humble appeal to you parents that you always inform the school nurse and Administration about the pupils with special health problems and hand over the medication to the nurse.

**Fees Payments:**
I would like to appreciate those parents who have cleared their school dues promptly and those who have honored their fees agreements. We continue to appeal to parents who have not cleared the school dues to do so to enable the school carry out its planned activities smoothly. We still call to you parents to avoid payments in cash. Ensure your bank drafts are prepared in time.
